Smoke And Mirrors: A Romantic Suspense Collection

Synopsis

Eight BRAND NEW, never before released "hidden identity" contemporary romantic suspense novellas from today's best selling Christian authors in one anthology!

THE LONG VIEW by Connie Almony: J.T. MacGregor is ex-FBI and training with terrorists. When his former boss makes an unusual request, J.T. wonders about his motives and how he can use them to his advantage.

Destiny Long is no stranger to her father's covert world of catching terrorists, but who is he after now? When J.T., the man behind the one kiss she will never forget joins a fitness club owned by a suspected member of ISIS and he's found praying head-first into a tasseled rug, she wonders what side of the war on terror is J.T. MacGregor really on.

TAKEN by USA TODAY BESTSELLING AUTHOR Sally Bradley: Cam Winters has never talked about his past, about life before he became a Christian. Jordan Foster knows that Cam's a strong, caring man--a man she can see herself with. But he refuses to ask her out for fear of what her brother, one of his closest friends, might say. So Jordan takes things into her own hands. When Cam admits to sharing her feelings, the two fall quickly in love--just as that past that Cam won't ever talk about returns for Cam and those he loves. A group which now includes Jordan.

ON THE ROPES by Hallee Bridgeman: Doctor Ruth Burnette is placed in witness protection after witnessing a Russian mafia execution. Just a week before the trial, Victor Kovalev finds her. Memories of planning her wedding with Victor are wiped clean by the vision of his father executing three men. Does he want to help her survive to her testimony, or is he trying to stop it all together?

OUT OF CIRCULATION by Heather Day Gilbert: When Russian mobsters threaten small-town librarian Katie McClure, she is forced to accept an offer of protection from Manhattan bodyguard Ace Calhoun. As they race the clock to find a long-hidden bank stash, Katie discovers too late that Ace might be the wrong man to trust with her life...and her heart.

DANGEROUS ALTERNATIVE by Kelli Hughett: Summer in Southern California doesn't get any hotter than this. When Levi Boulter agrees to work for the FBI behind the scenes in Hollywood, he never plans on becoming an operative working to thwart a plan to assassinate the President's wife or on keeping a deadly secret from Mahari, the love of his life. When Mahari is kidnapped, Levi makes the gamble of his life in order to save her. Will Levi's secret divide them forever, or will they come together in time to stop an assassination?

IDENTITY THEFT by Alana Terry: After losing her fiancé in a devastating accident, Lacy meets Kurtis, an Alaska state trooper, and his delightful four-year-old daughter who would love nothing more than to make Lacy her new mom. Things could be perfect, except Lacy can't shake the nagging suspicion that her fiancé isn't dead like the police reports claim. All she wants is closure, but as she seeks out real answers, she discovers how deadly the truth can actually be.

OBSESSION by Rachel Trautmiller: A

surge in crime has left two homeless women dead and Detective Amanda Nettles' Alzheimer's-riddled mother as the prime suspect. As his wife embarks on a dangerous game of hide-and-seek with a remorseless serial killer, FBI Agent Baker Jackson Robinson knows he can't sit idly while the city of Charlotte destroys Amanda's career a second time. Is her near decade-long obsession with protecting her hometown bigger than the needs of her family? Or are they one and the same?

SCENT OF DANGER by Alexa Verde: To find her missing sister, small-town cop Maya Hutchinson risks her life by posing as her glamorous twin. Under escalating attacks, Maya accepts protection from dashing senator's son Connor McNamara. Cop turned PI, Connor McNamara has his own secret mission and is forced to choose between family loyalty and love. When the scent of danger draws near, will Connor and Maya survive long enough to forgive and accept each

Customer Reviews

A great collection of mysterious. If you like romantic mysteries with protagonists who either know or find their way through the darkness, don't waste a minute. Get this fantastic collection. Individual reviews follow. I was given a free copy for an honest review.

The Long View by Connie Almony • Is J.T. (aka Jack) really an ex-FBI agent or a current one? There's enough

question to pull you in and enough mystery and romance to keep you going. Enjoyable. Taken by Sally Bradley [Mystery upon mystery upon mystery](#). Just when you think you've got it figured out, another spanner is thrown into the mix. Sure keeps the reader guessing, On the Ropes by Halley Briggerman [Excellent edge-of-your-seat action mystery](#). You'll feel like you're inside the heart and mind of Ruth/Mara as she goes from love to terror - and maybe back again? Read it to find out. A new favorite author for me. Out of Circulation by Heather Day Gilbert [Another edge-of-your-seat mystery](#). Ace has to find his way to true freedom and Katie has to discover her forever freedom, all played out on a "who's really trustworthy" stage. Both feel unloveable; both need to look with different eyes. Good story. Dangerous Alternative by Kelli Hughett [Romantic mystery with enough twists and turns to satisfy Alfred Hitchcock](#). Very satisfying read with some deep spiritual truths included. One of my favorite ever quotes: "I don't know what forgiveness looks like..." Other character response: "It has no face and it has no feelings...But it looks like freedom" Identity Theft by Alana Terry [Alana Terry](#). A favorite since my first read of one of her books.
