Attack Of The Deranged Mutant Killer Monster Snow Goons (Calvin & Hobbes)

Synopsis

Calvin and Hobbes are back in another thrilling adventure involving escapes from girls, parents, and snow goon monsters. In "Attack of the Deranged Mutant Killer Monster Snow Goons," Calvin suffers a host of hardships. He gets attacked by his new two-wheeler bike. Hobbes gets kidnapped by Susie, a slimy girl. His father cancels Calvin's personal TV network. Self-multiplying deranged mutant killer monster snow goons threaten to take over the yard. And if that wasn't enough, the ethicated duplicate of Calvin's good side wreaks havoc with his reputation by doing good deeds. Yet Calvin conquers all with his irrepressible spirit and a little help from alter-egos Spaceman Spiff, Stupendous Man, and Tracer Bullet, private eye. Readers are delighted by Calvin's resourceful wit, which applies to everything from philosophical speculations to attempts to outsmart his parents.

Customer Reviews

Calvin and his stuffed tiger Hobbes wreck havoc as usual in this awesome collection of Watterson's timeless comic. Whether Calvin's wild imagination is dreaming of prehistoric dinosaurs or planning a mischevious attack on his arch-rival (fellow classmate Suzie Derkins), you're sure to enjoy the unexplainable antics of this troublesome six year old boy. This particular collection starts with a series of cartoons depicting Calvin with chicken pox. Wouldn't you know it, as soon as he finds out he's contagious, he invites Suzie over to play. That crazy kid. Individual comics follow, but then another series emerges - one where Calvin's bike attacks him upon every attempt at riding it, and his parents remain clueless about how his face could EVER get caught in the bike's chain. In

another series, we see Calvin's "Get Rid Of Slimy girls" club planning a failed water balloon assault on Suzie, resulting in the disappearance of Hobbes. Hobbes does some smooching with the enemy and is labeled as a traitor. We also see Calvin struggling in math, losing a 25 cent bet to Suzie after failing a quiz. He spends all his test time daydreaming he's interplanetary hero Spaceman Spiff, and is only able to do one lousy problem. When the Christmas season approaches, poor Calvin has to avoid throwing snowballs at Suzie so he won't lose any of his Christmas loot. The amusing title series of this collection is definitely one of my favorites. Calvin builds monster snowmen that (in his mind anyway) come to life and threaten his existence, so he freezes the whole front yard with the garden hose to protect himself, much to the dismay of his father.
