# Riding For The Brand: Sage Country Book Three

## Synopsis

Riding For The Brand Much like that of the samurai who has pledged loyalty and service to his lord, the term, "Riding for the brand" refers to a commitment, a responsibility and a sense of belonging. Simply stated, to ride for the brand means to be loyal and faithful to the outfit you represent. It is a code of honor. At the end of the 19th Century, life is hard on the Front Range of the Rocky Mountains. For John Everett Sage, it's hard to stay alive. He's a husband, a father, and a celebrated lawman committed to do justice, to love mercy and walk humbly with his God. The scars of his past and the politics of the present have weakened his resolve and self-confidence. After a brief encounter with Bat Masterson, John rides off to investigate what became of the parents of the children he and his wife Lora have taken into their home. Before he resumes his role as Sheriff of Alta Vista County, he'll round up stolen livestock, confront thieves and murderers, and with the help of a famous old frontiersman, bring justice to another corner of his world. Even though the newspapers will probably get it wrong, as Colorado prepares to enter the 20th Century, John Everett Sage will become part of the legend of the west.

## Customer Reviews

Awesome book, I love the way the main character is a violent man but also a Christian. Many good people are still growing up in rough neighborhoods and have to be tough to survive but that does not mean they don't have God in their lives. What I like the most about the book is the knowledge of the author about the Holy Scripture and how he links it with our daily struggles. Dan, keep it coming. You are doing an excellent job.

Dan does his research on the areas he has written about in his books. He also knows who his God is and it's refreshing to see Him included in the books I've read. Sensationalism is replaced with well reasoned plots and stories that will keep your interest. Makes me eager to read the sequel. Thanx Dan.

I have read three of the series so far. Will read Yellow Horse when it is available. Loved the people loved the stories and loved the Faith without being gospel. Honest folks, just living life, making a living and doing a lot of God's work in the process. Good work Dan. Thanks.

Thank You for a story that is not just a shoot'em up western. The characters in the stories have depth and firm beliefs. I hope to read more stories of this caliber soon.

Another good book by Dan Arnold. It is refreshing to see a western where you don't have a lot of swearing and reference to sex. A very good story.
